Supply list

- **Palette Knives** : Regular sizes 3” and 2” lengths in Creative Mark’s 4t style. Large knife, liquitex brand. Triangle shapes are the only shapes I use.
- **Glass Palette.** The Larger the better. Sometimes paint boxes don't come with a glass palette but it's easy to get a piece cut to fit.
- **Canvases.** Roughly 16x20 in size. I’d like you to work in size you’re comfortable with but also large enough to explore mark making with the knife. Around this size is good. Can be pre-stretched. Be sure to apply a coat of gesso with a palette knife to get a good finish. Search youtube for demo videos. On average, students finish 2-3 a day.
- **Brushes.** Stiff - hog or synthetic 1/2” - 2” Flats
- **Oil Paints.** Winton 200ml tubes (paint thick! Use paint!) Titanium White, French Ultramarine, Cobalt Blue Hue, Cerulean Blue Hue, Dioxazine Violet, Permanent Alizaren Crimson, Burnt Sienna, Cad Red Deep Hue, Cad Orange Hue, Pthalo Green (also labeled as viridian hue), Yellow Ochre, Cad Yellow Deep Hue, Cad Yellow Pale Hue, Lemon Yellow hue, Naples Yellow Hue, Chromium Oxide, **Pthalo Blue Green Shade, Ivory Black - these two colors are required for Sat. Exercises.** (if painting in acrylics, the pigments are the same and I recommend Golden Open Acrylics for outdoor painting. I also recommend fewer colors such as my suggestion below)
